

2022-2023 Membership

The PHS Athletic Booster Clubs' mission is to promote and enhance the athletic programs and the student athletes at PHS. The Boosters support Interscholastic, Intramural and Unified teams at the school. We also promote and fund other activities that touch all our students' lives: Donation toward Senior Post Prom, full funding of the Impact Concussion Testing, T3 project, Division/State Championship team awards. PHS Athletic Boosters also sponsors the Senior Sports Award Banquet and Varsity Letters as well as the PHS Athletic Boosters Outstanding Student Athlete Award (Male & Female) of \$1000.00 each.

Membership is vital to the success of the Booster Club. With school budget cuts, your membership is more important than ever before! PHS Athletic Boosters have contributed thousands of dollars to support our students and athletes during the past several years.

Booster Shack: We recognize that all families are busy and finding time to volunteer may seem impossible. With a booster shack in the new gym as well as the outdoor shack more volunteers are needed. If your student is either playing a sport or attending a sporting event why not put in some time at the shack & not only enjoy the game but also meet other parents, our athletes & your student's friends. Whether you volunteer once a week, month or year, sign up!

FYI: PHS Athletic Boosters raises over 50% of its revenue through the sales from the shack. By volunteering in the shacks during the sport seasons, you can help meet or exceed expectations. We need your help to be successful!
Become a Volunteer!

Become involved today and join the PHS Athletic Booster Club team!

A Special Thanks to Clements' Market for their continued support!
